What will students learn?

Areas of focus will include:

- Greco-Roman Mythology
- Roman Culture & Daily Life
- Classical & Conversational Latin

Topics may include Olympic games, Roman clothing, gladiators, architecture, banquets, mosaics and art, and many more!

Why teach Latin in the elementary school?

When students learn Latin, they learn about far more than a language and a culture. They learn to appreciate humanity.

The classical world can be found in our:

- literature
- art and architecture
- values and political ideals
- sense of history

Latin also helps students develop:

- a stronger English vocabulary
- connections with other subjects
- skills of logic and reason
- an ability to think critically
- openness and creativity
- enthusiasm for learning

What is LatinSummer?

LatinSummer is a two-week program that provides students a unique chance to learn about Latin and the classical world. Over the past ten years, LatinSummer has introduced Latin and the Classics to students throughout the Mid-Atlantic and Northeast. Now, students in Charleston will have the same opportunity to explore Latin, mythology, Roman culture, and more! The program's hands-on and exciting classes will be taught by a faculty of College of Charleston Latin students. No prior knowledge of Latin or Classics is required. Students will receive tee-shirts!

Who? *LatinSummer* is open to any student currently enrolled in grades two through seven. All students in the Charleston, SC area are welcome to attend.
