What will students learn?

Areas of focus will include:

- Greco-Roman Mythology
- Roman Culture & Daily Life
- Classical & Conversational Latin

Topics include Latin vocabulary and roots, hands-on Latin sentences, Olympic games, Roman clothing, gladiators, architecture, banquets, mosaics and art, and many more!

Students will be grouped by age. Instruction, pacing, and content will be tailored to the unique needs of each age group.

For example, grades 6-7 will participate in a unique and challenging, yet fun and accessible, Latin immersion curriculum. Students will learn the basics of Latin through the language of the ancient Romans! Also included are hands-on cultural activities taught in English.

Why teach Latin to young students?

When students learn Latin, they learn about far more than a language and a culture. They learn to appreciate humanity.

The classical world can be found in our:

- literature, art and architecture
- values and political ideals
- sense of history

Latin also helps students develop:

- a stronger English vocabulary
- connections with other subjects
- skills of logic and reason
- an ability to think critically
- openness and creativity
- enthusiasm for learning
