What will students learn?

Areas of focus will include:

- Greco-Roman Mythology
- Roman Culture & Daily Life
- Classical & Conversational Latin

Topics include: Latin vocab and roots, hands-on Latin sentences, Olympic games, Roman clothing, gladiators, architecture, banquets, mosaics and art, gods and goddesses, + more!

Students will be grouped by age. Instruction, pacing, and content will be tailored to the unique needs of each age group.

For example, grades 6-7 will participate in a unique and challenging, yet fun and accessible, Latin immersion curriculum. Students will learn the basics of Latin through the language of the ancient Romans! Also included are hands-on cultural activities taught in English.

Why teach Latin to young students?

When students learn Latin, they learn about far more than a language and a culture. They learn to appreciate humanity.

The classical world can be found in our:

- literature, art, and architecture
- values and political ideals
- sense of history

Latin also helps students develop:

- a stronger English vocabulary
- connections with other subjects
- skills of logic and reason
- an ability to think critically
- openness and creativity
- enthusiasm for learning

For families who can: In addition, we are making a tax-deductible donation of \$_____ to support reduced rates for students in need.

I give permission for my child to participate in *LatinSummer* at Mason Ridge Elementary School from July 8th to 19th, 2013.
