Topics include Latin vocabulary and roots, hands-on Latin sentences, Olympic games, Roman clothing, gladiators, architecture, banquets, mosaics and art, and many more!

Students will be grouped by age. Instruction, pacing, and content will be tailored to the unique needs of each age group.

Why teach Latin to young students?

When students learn Latin, they learn about far more than a language and a culture. They learn to appreciate humanity.

The classical world can be found in our:

- literature, art and architecture
- values and political ideals
- sense of history

Latin also helps students develop:

- a stronger English vocabulary
- connections with other subjects
- skills of logic and reason
- an ability to think critically
- openness and creativity
- enthusiasm for learning

What is LatinSummer?

LatinSummer is a two-week program that provides students a unique chance to learn about Latin and the classical world. Over the past ten years, LatinSummer has introduced Latin and the Classics to students all over the East Coast. Now students in the Richmond area will have the same opportunity to explore Latin, mythology, Roman culture, and more! The program's hands-on and exciting classes will be taught by creative, enthusiastic high school and college Latin students under the supervision of experienced teachers. No prior knowledge of Latin or Classics is required. Students receive t-shirts!
