Concentration Directions

1. Place all of the cards face down on a table, not in a single pile, but all spread out.
2. A match is considered one card with the picture and one card with the matching Latin word.
3. Pick a player to go first and have him or her pick two cards.
4. Flip the cards over - if the player has a match, he or she takes the cards, if not, flip the cards back over.
5. Continue take turns in a circle. The game is over when all of the cards have been matched.
